NEXT STEPS

For a no obligation bespoke quotation simply call our Sales Team on **0208 974 2626** to arrange a complimentary survey of your Compressor Equipment.

AT COMPRESSED AIR CENTRE, WE RECOGNISE THAT A FULLY FUNCTIONING COMPRESSED AIR SYSTEM IS VITAL FOR YOUR BUSINESS TO FUNCTION AT OPTIMUM EFFICIENCY AND TO ACHIEVE MAXIMUM ENERGY SAVINGS. WE KNOW THAT ENERGY EFFICIENCY EQUALS SAVINGS FOR OUR CUSTOMERS.

The provision of a Service and Maintenance programme for our customers is at the core of our business activities. Our Sales Team will work with you to produce a bespoke maintenance programme to ensure that downtime is minimised and the equipment life expectancy and energy efficiency is maximised.

- Our engineers are available 24/7 for breakdown call outs and emergencies.
- Our customers prefer a Fixed Price Approach, where all associated costs are outlined in advance of our arrival on site.
- Our team of fully trained and certified engineers is competent to service and repair all makes of Compressors and ancillary equipment.
- Our policy of supplying only genuine spare parts reduces the opportunity for failure and consequential loss.
- Compressed Air Centre is a fully accredited ISO 9001 company and a BCAS member.
- Our engineers are CHAS, CSCS, IPAF and PASMA certified.

WE ARE EXPERTS. WE ARE RELIABLE. WE ARE YOUR BUSINESS PARTNER.
